AS WE COME TOGETHER FOR

NO COAL IN OAKLAND | NO MORE EVICTIONS

We have the right to clean air. We have the right to safe neighborhoods. We have the right to stay in our homes.

West Oakland can make it happen. Let's work together for a healthy & thriving community. Let's come together Saturday May 21st to say NO! to greedy developers: STOP THE COAL TRAINS and fight for RENTERS PROTECTION.

- **Enjoy family fun with kids' activities**
- **Hear from members of the faith community, labor leaders, West Oakland residents and elected officials, including Senator Loni Hancock**
- **Make video testimonials to let your elected officials know your feelings on coal and housing in West Oakland**
